About us

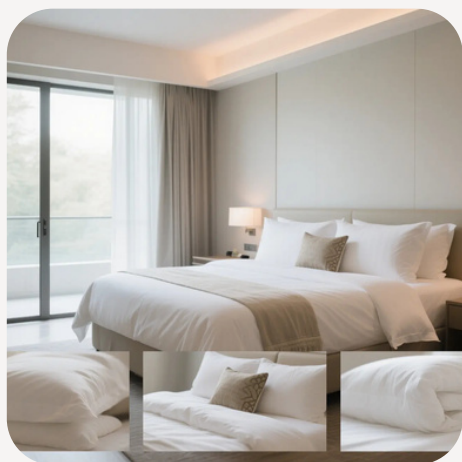

VASTLINK PRIME

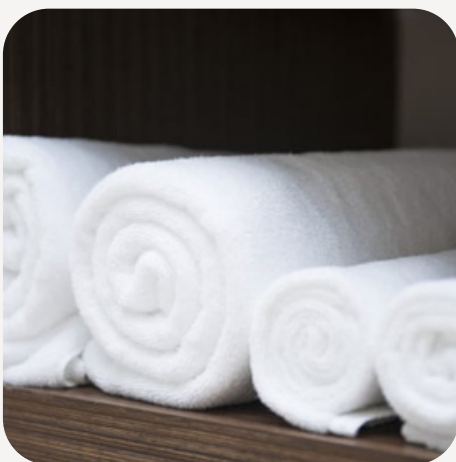

We provide comprehensive sourcing solutions for resorts and hotels, supplying everything from room amenities, linens, kitchen equipment, engineering items, and furniture. Our procurement team manages the full purchasing of quality products, negotiating with suppliers, and ensuring efficient vendor coordination.

With end-to-end logistics, including international shipping, customs clearance, and warehousing, we guarantee smooth and timely delivery of all goods. Every property is unique, and we tailor our supply-chain solutions to meet your specific operational and project requirements.
